

## What is a Horseback Poker Ride?

Every summer Sleeping Indian Outfitters hosts two horseback poker rides to get the community together for some fun and to help raise money for **Kickin Cancer in Sublette County**.

So, what is a horseback poker ride? On the day of the event everyone shows up to the ranch between 9AM and Noon. Some people bring their own horses, some people rent horses from us, and some people choose to just socialize in the dinner area for the day. Those going horseback sign up at the check in tent to sign the appropriate waivers and get a card. Your card is very important for the day. It is where your poker hands are recorded and it allows you to get food and drink out on the trail which you will pay for upon your return. You draw your first card for your poker hand and then you go get mounted up and head out on the trail.

## 2020 Horseback Poker Ride

July 11th, 2020

**Time:** Any time after 9am. Horse riders should be on the trail by Noon!

... Join us for a whole hog roast and horseback poker ride to help raise money for Kickin' Cancer in Sublette County!
